We do not share your details, but we need to have your confirmation that we can keep your details and contact you for GDPR purposes. Being a member of the closed Facebook group does not imply we have your permission for this. We will only use your details to communicate about DAAS or occasional useful information about Asperger's/ASD. We will not pass your details to anyone unconnected to DAAS administrators. In line with General Data Protection Regulations (GDPR) please confirm that we may keep your information securely and contact you at intervals. You may withdraw your consent at any time. Thank you for your support.

**I CONFIRM DAAS MAY KEEP MY DETAILS AND CONTACT ME**

We normally request a small amount for attending meetings to cover necessary costs (we are run by volunteers)
